## WINDSTORM OR HAIL PERCENTAGE DEDUCTIBLES

This endorsement modifies insurance provided under the following:

APARTMENT OWNERS COVERAGE FORM  
CONDOMINIUM COVERAGE FORM

### SCHEDULE

Location No.	Windstorm or Hail Deductible Percentage
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

The Windstorm or Hail Deductible, as shown in the Schedule, applies to loss of damage to Covered Property caused directly or indirectly by Windstorm or Hail, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage. If loss or damage from a covered weather condition other than Windstorm or Hail occurs, and that loss or damage would not have occurred but for Windstorm or Hail, such loss or damage shall be considered to be caused by Windstorm or Hail and therefore part of a Windstorm or Hail occurrence.

With respect to Covered Property at a location identified in the Schedule, no other deductible applies to Windstorm or Hail.

The Windstorm or Hail Deductible applies whenever there is an occurrence of Windstorm or Hail.

### WINDSTORM OR HAIL DEDUCTIBLE CLAUSE

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the percentage shown in the Schedule of the Limit(s) of Insurance applicable to the property that has sustained loss or damage. This Deductible is calculated separately for, and applies separately to:

1. Each building or structure that sustains loss or damage;
2. The building or structure and to personal property in that building or structure, of both sustain loss or damage;
3. Personal property at each building or structure that sustains loss or damage.

We will not pay for loss or damage until the amount of loss or damage exceeds the Deductible. We will then pay the amount of loss or damage in excess of the Deductible, up to the applicable Limit(s) of insurance.

When property is covered under the Coverage Extension for Newly Acquired Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at the time of loss. The applicable percentage for Newly Acquired Property is the highest percentage shown in the Schedule for any described premises.

### EXAMPLE - APPLICATION OF DEDUCTIBLE:

The amounts of loss to the damaged property are \$60,000 (building) and \$40,000 (business personal property in building).

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the business personal property.

The Deductible is 2%.

024/021 000460 0607112098 {4} BNOU251105 012026

**Building**

Step (1):  $\$80,000 \times 2\% = \$1,600$

Step (2):  $\$60,000 - \$1,600 = \$58,400$

**Business Personal Property**

Step (1):  $\$64,000 \times 2\% = \$1,280$

Step (2):  $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120 ( $\$58,400 + \$38,720$ ). The portion of the total loss that is not covered due to the application of the Deductible is \$2,880 ( $\$1,600 + \$1,280$ ).

This endorsement is part of your policy. It supersedes and controls anything to the contrary. It is otherwise subject to all the terms of the policy.

Dear Valued Customer,

Have the growth of your business and rising labor costs reduced the accuracy of the payroll or revenue shown on your policy? Have increased costs and inflationary trends reduced the protection provided by your policy? Building and Business Personal Property insurance limits, once adequate, may no longer meet today's repair or replacement costs.

To help compensate for these inflationary trends, the limits of insurance for Building and/or Business Personal Property coverages have been increased by a modest percentage. To keep your policy current with rising labor costs and normal business growth, the payroll and/or revenue have also been increased by a modest percentage.

This renewal offer includes the adjusted limits of insurance, payroll, revenue, and premium for your policy. The adjustments are relatively small, and they're based on estimated increases in the past year's construction and repair costs, as well as other inflationary factors, such as rising labor costs and normal business growth.

These increases do not guarantee adequate coverage for any loss; they are based on estimates. It is possible, for example, that updates or improvements to your property or increased sales might cause your individual needs for coverage to be greater than the amount provided by these adjustments. If you have not reviewed your policy recently, the effects of inflationary changes over time create the likelihood that the increases we made are less than the increases you need for optimal coverage.

These changes are made to better serve your insurance needs, and we encourage you to contact your Farmers® agent, who will be pleased to help you with a comprehensive review of your policy.

Acceptance of these changes does not waive the provisions of the coinsurance clause or any other policy clause.

Thank you for choosing Farmers. We appreciate your business.
